UNLESS YOU BELIEVE

John 8:21-30

Jesus is the only Savior from sin, and everyone who refuses to believe in Him will die in his sins and remain separated from God.

Jesus demonstrates why believing in Him is eternally necessary:

I. Jesus warns of the consequence of unbelief (21-24)

II. Jesus declares His heavenly identity (25-27)

III. Jesus points to the cross as confirmation (28-30)
